SPA & CARE

THE ATMOSPHERE

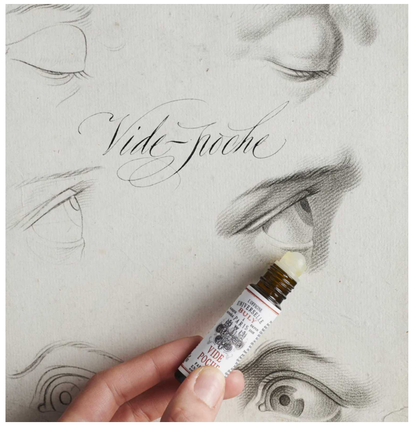
Buly's marble scented candles are more than fragrance — they are decorative objects, bringing a soft Parisian glow and a refined olfactory signature to the spa.

THE HAIR

Hand-polished acetate combs, crafted in Europe, turn daily hair care into a beautiful ritual — gentle to the hair and elegant enough to live on the vanity.

THE BODY

Lait Virginal is one of Buly's classics: a light perfumed body lotion that softens, moisturises and leaves the skin wrapped in a delicate French scent.



THE FACE

Vide Poche is a small roll-on eye serum with plant and essential oils, created to refresh the gaze and reduce the appearance of dark circles and puffiness.

THE HANDS & BODY

Pommade Concrète is Buly's iconic nourishing balm for hands, feet and dry areas — rich in shea butter, beeswax and chamomile floral water for daily softness and care.

Nautical Heritage

ITALIAN HERITAGE REIMAGINED FOR MARINA LIVING

For LE CHÂTEAU PIÉTRUS, the lobby interiors are enriched with the Exteta x Riva furniture collection — a refined design collaboration inspired by the legendary world of Riva motorboats and the golden Dolce Vita spirit of the 1960s. Designed by Massimo Castagna, the collection translates Riva's unmistakable nautical heritage into contemporary furniture pieces, where polished materials, elegant proportions, and Italian craftsmanship create a true sense of life by the water.

Massimo Castagna, the creative mind behind this design line, draws from more than 180 years of Riva history, from the Sarnico shipyard founded in 1842 to the timeless glamour of classic wooden boats. Mahogany, stainless steel, sculptural volumes, and yacht-inspired details bring the atmosphere of Italian marina living into the residence, making every piece feel like an extension of the sea, the deck, and the art of refined leisure.

At LE CHÂTEAU PIÉTRUS, Exteta x Riva becomes more than a furniture selection — it is a signature design statement. It completes the residence's marina-side identity with the elegance of Italian yachting culture, creating a lobby experience shaped by heritage, craftsmanship, and the romance of the Dolce Vita.

BARAZZA
taste of design

Crafted in Italy

THE ART OF ITALIAN STEEL

For the residences' kitchens, we selected appliances by Barazza — an Italian family brand born in 1968, when Pietro and Antonio Barazza founded the company in Santa Lucia di Piave, in the heart of Treviso's Stainless Steel Valley. For almost sixty years, Barazza has built its identity around stainless steel, combining artisan skill, technological innovation and refined Italian design. The brand focuses on creating high-performance kitchen solutions where every detail is designed to last, to feel precise, and to bring beauty into daily life. Its philosophy is simple: transform steel into elegant, functional objects that make the kitchen not only a place for cooking, but a space of design, craftsmanship and Italian excellence.

Taste of Design

ONE FAMILY AND ITS GREAT ENTERPRISE

For LE CHÂTEAU PIÉTRUS, the kitchen is designed as part of the residence's lifestyle — elegant, calm and deeply functional. The Barazza appliances selected for the Icon and Aura kitchen concept bring a distinctly Italian stainless-steel language into the space: precise lines, durable materials and a professional sense of performance hidden inside a refined residential setting. Barazza's use of AISI 304 stainless steel gives the kitchen a hygienic, long-lasting and corrosion-resistant core, while its refined finishes and carefully engineered details add a quiet architectural quality. More than appliances, these elements complete the kitchen as a crafted Italian composition — beautiful to look at, comfortable to use, and made to remain timeless in everyday life.

It was the year 1968 when Pietro and Antonio Barazza established their company in Santa Lucia di Piave, in the heart of Treviso's Stainless Steel Valley, near the towns of Conegliano and Vittorio Veneto.

LE CHÂTEAU PIÉTRUS

MR.EIGHT
BRANDED RESIDENCES

LE CHÂTEAU PIÉTRUS is not simply a place to live, but a place to return to — a private waterfront address where every detail is designed to slow time, soften the rhythm of the city, and bring life closer to beauty. Here, architecture becomes atmosphere: sunlight moves through panoramic windows, terraces open toward the marina, interiors are shaped with natural materials and quiet European elegance, and every suite is created to feel intimate, refined, and deeply personal. From mornings by the water to evenings under the island sky, life at LE CHÂTEAU PIÉTRUS unfolds with the ease of a boutique hotel and the privacy of a true home. Curated amenities, serene wellness spaces, infinity pools, landscaped terraces, signature dining, concierge, valet, and weekly housekeeping come together to create a lifestyle defined not by excess, but by emotion, comfort, and timeless sophistication. It is a residence for those who see home not only as an address, but as a season of life — lived beautifully, by the water.
